Stephanie,

Your feminine intuition may be telling you that producing a webinar series that converts will be too challenging.

I get it. I had the same doubts.

Until I asked a critical question: "How can I gain a network of loyal clientele through my podcasting?"

By creating content my audience can't live without!

SO HERE'S THE PLAN

Let's meet up over the web.

The podcast is called Troubleshooting Your Biggest Webinar Challenges & addresses:

- 1) Converting Facebook ads**
- 2) Converting your webinar registration page**
- 3) Converting your webinar series as a whole**

***Includes Your Own Webinar Problem-Solving Toolkit.**

By the time we're done you'll have no doubt regarding what content your audience will crave.

Are you ready to take the REAL, momentum-building action steps for building a profitable online business?

Then join me for my upcoming Troubleshooting Your Biggest Webinar Challenges podcast...

you're going to love the conversions.

Visit www.bethanym.com and click on the podcast player at 7pm this Wednesday to be part of the discussion.

Yours in Coffee & Success,

Bethany M.
